## KINSMEN HOME LOTTO GOES 'GREEN'

**Medicine Hat – This year's Kinsmen Lotto Home is HAT Smart.**

The Kinsmen Club of Medicine Hat has teamed up with the City of Medicine Hat HAT Smart Environmental Initiative to help lighten the carbon footprint of this year's Lotto Home with the installation of several energy conservation appliances throughout the house.

Inside the home you will find a number of environmentally friendly features such as a tank-less hot water heater, high efficiency furnace, energy efficient lighting, ultra-low flow shower heads and dual flush toilets, just to name a few. Take a tour of the Lotto Home and get some conservation ideas that you can implement in your own home.

"It means this year when you visit the Kinsmen Lotto Home you will learn some valuable information to help you increase conservation in your own home, and save money and the environment," says Russ Smith, City Environment Manager.

Visitors will also get the chance to play a HAT Smart game and enter to win one of four Residential Home Energy Audits valued at \$275.

"The winning Kinsmen Lotto Home ticket holder will be able to enjoy the Lotto Home's state of the art features, the associated cost savings, and have a lower impact on the environment, all at the same time," says Chris Hellman, Dream Home Lotto Chairperson. "Don't you think it's time for you to try on a new hat? Visit the Kinsmen Lotto Home and get HAT Smart today."

The Kinsmen Lotto Home, located at 42 Somerset Link SE, opens Saturday, May 3. Hours are Monday to Friday 6 – 9 p.m., Saturday and Sunday noon – 6 p.m.
